Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English. Brand new Book. INSIDE: Download FREE software to recover deleted pictures, video, documents, and emails. Are you concerned your child may be doing something on the computer they are not supposed to? Do you want to see what files have been deleted from the computer? Have you accidentally deleted an important picture or file? Did you mistakenly reformat the memory card on a digital camera? Sometimes parents have a suspicion their children are doing something on the computer they shouldn't be. It may be your child changing the screen on the computer whenever you walk in the room or just that sinking feeling in the pit of your stomach. You might be concerned your child is communicating online with someone you don't approve of or even know. Maybe you are worried they are going to websites with pornographic content. When kids do things online they are not supposed to do they usually try to hide their activities. One of the most common methods is to try and delete traces of their actions. The Nosy Mom's Guide: Recovering Deleted Files gives parents the tools they need to keep their kids safe from pornography,...
